(October 21, 2024) The Florida Center for Early Childhood announces its inaugural “Wonder Gala,” a newly reimagined fundraiser poised to make an even greater impact than its predecessor, the Winter Gala. The event will take place December 6, 6:30 p.m., at The Ora, 578 McIntosh Road, Sarasota. Individual tickets are \$375, and a variety of sponsorship opportunities are still available. ***To learn more or to purchase tickets, visit [TheFloridaCenter.org](https://TheFloridaCenter.org) or call 941-371-8820.***

The Wonder Gala’s main event will feature heartfelt narratives from families whose lives have been transformed by The Florida Center, offering a glimpse into the powerful impact of its programs. A captivating “Wonder Wall” will also be on display, showcasing the faces and stories of children and families whose futures have been shaped by the center’s support. This visual journey will highlight not just the challenges these families have overcome, but also the strength, resilience, and hope that emerged

as a result of the community's generosity and The Florida Center's commitment to fostering brighter tomorrows.

Guests will enjoy a sparkling night of festivities, beginning with a special VIP pre-party. The event will also showcase a powerful performance by captivating rising vocalist Allison Nash, followed by dancing to the high-energy sounds of Soul Sensations. Guests can indulge in an open bar and a gourmet feast prepared by Michael's On East, while silent and live auctions offer the chance to bid on one-of-a-kind items. All proceeds will directly support The Florida Center's critical programs that provide early education, developmental therapies, mental health services, and more to local children and their families.

According to Dr. Kristie Skoglund, CEO of the Florida Center, the gala will provide a unique opportunity for guests to connect with others who share their passion for the center's mission and to witness the profound impact of its life-changing work.

"We are thrilled to introduce the Wonder Gala, which reflects not only the magic of the season but also the remarkable progress made by the children and families we serve," said Dr. Skoglund.

"This event has evolved to better engage our community and provide new ways for supporters to become a part of our journey toward creating brighter futures. We look forward to sharing the stories of triumph and hope that inspire us all."
